WINE IMPORTERS & MERCHANTS SINCE 1976

## Misty Cove Sauvignon Blanc

Origin Marlborough, New Zealand

Winemaker Andrew Bailey, Misty Cove

The fruit for the Sauvignon Blanc was grown at the upper Wairau, Waihopai and Rapaura vineyards. Each vineyard site was treated individually to ensure integrity of the vineyard and to retain the individual characters each site has to offer as well as providing the best blending possibilities.

### Vinification

The fruit was crushed, gently pressed and the resulting juice was then settled before being cool fermented in stainless steel using different yeasts to add complexity. The wines were then blended and balanced shortly after completing fermentation and prepared for bottling.

Grape Variety Sauvignon Blanc 100%

Alcohol by Volume 13.5%

### Winemaker's Notes

The colour is a delightful light lime and the bouquet is full of lively gooseberry, fresh herbs and melon aromas with tropical passion fruit and citrus fruit character on the palate. This wine has great acidity and length, finishing refreshingly limey and elegant.
